Call for Abstracts

Looking Forward - Together

Invitation

The 12th Asia Pacific Non Destructive Testing Conference will be held in the beautiful 'City of Sails' – Auckland, New Zealand – 05-10 November 2006. On behalf of the New Zealand Non Destructive Testing Association I would like personally to invite you to submit paper abstracts for this event.

Our theme of "Looking Forward Together" is designed to encompass not only the need for all disciplines within the Non Destructive Testing fraternity to work towards common goals, but also for the advancement of knowledge in the Asia Pacific region.

The event will be held in Auckland's world class conference facility, the "Aotea Centre", which will provide international standards for the presentation of your paper. We ask you to share your world class material and knowledge with the other delegates.

Les Dick - *Chairman APCNDT, Chairman NZ NDTA*
